LC Lawyers has won the trophy for Client Service Excellence in Hong Kong at the asialaw Awards 2021 which were presented in an online ceremony on 30 September 2021.

The asialaw Awards Research Team said of LC Lawyer's win:

The most successful law firms go to great lengths to ensure they provide their clients with consistent and high-quality service. Every year asialaw runs a survey of the buyers of legal services and ask them to assess and rate the lawyers they use for their quality of service based on client management, fees and billing, firm set up and knowledge. LC Lawyers received the most consistent and highest overall scores for client service for Hong Kong. The judges were impressed that LC Lawyers' clients had praised the firm's lawyers for their work attitude, professionalism, and deep understanding of the legal market as well as commercial realities. A client in the banking and financial services sector commented: "The firm demonstrates good legal knowledge and experience with strong business acumen. I am also very happy with their commitment."

asialaw Awards Research Lead Kelsy Li said: "We are delighted to be able to present the winners of the 4th Annual asialaw Awards. These firms and lawyers have been judged as best in class for their legal and industry expertise in terms of their innovative approaches, management of complex situations and the positive impact of their advice. While the world has had its share of difficulties over the past 18 months, it is with great joy that we are still able to celebrate and recognise their achievements in the Asia legal market. Our team is extending warm congratulations to all who were shortlisted and of course in particular, our biggest congratulations to all the 2021 winners. We remain hopeful and excited to welcome you all to our live awards gala next year for the 2022 ceremony."
